111 1905
rule 30-6-05

Sir,

After the receipt of the Government order No.J. 3190-3 c.11-25 dated 11th May 1905, I am glad to be able to state that all the cases reported in the half-yearly volume for 1904 were passed by me through the Daily Post Press and that the volume is completed. The Superintendent of the Government Press may receive the printed copies of the volume in the course of this week. I learn that he has ordered 300 copies to be printed. Early instructions will have to be issued to him for the distribution of copies.

Since the completion of the printing of the aforesaid volume, the Daily Post Press has taken up the cases reported for the year 1903. I am passing the proofs for the Press and nearly 100 pages of the volume (VIII) are ready.

The part for the quarter ending with 30th September 1904 was submitted to the Chief Judge for approval on the 22nd Inst. He said that in the criminal portion the reporting of 5 cases was not necessary. The remaining 6 cases in the criminal portion and all the 29 cases in the civil portion selected by me were approved of by him and returned to this office on the 24th Inst. This part will now be sent to the Government Press for publication. The annexed statement will show the number of cases determined by the Chief Court during the quarter in question and also the number reported with the approval of the Chief Judge.

2

The object in publishing the reports quarterly is to place the decisions of the Chief Court in the hands of the general public within a short time after they are passed. To secure this, I would suggest that the Government may be pleased to fix some time-limit ranging from two to four weeks for enabling the Superintendent of the Government Press to print the parts as expeditiously as possible after the receipt of papers from this office.

The head-notes of cases selected for the quarter ending with 31st December 1904 are being written.

All the available fair copies of the decisions passed by the Chief Court since 1st January 1905, have been seen by me and selections made.

I have the honour to be

Sir,

Your most obedient servent.

Law Reporter.
